

Altynay Mukanbetova
Project manager

Altynay's exceptional ability to ensure clear and thought-out organizational management of staff and the entire office enable the agency to meet even the tightest clients' deadlines. Her professional portfolio includes organization of educational programs, internships and advanced training courses for up to 500 company employees. Her experience in headhunting and recruitment utilizing the proprietary database, along with her participation in development of strategic objectives and staff motivation system are an indispensable contribution to Flexi growth and development. Altynay has a Bachelor's degree in Linguistics and Translation; she is also currently working on her Master's in Finance and Credit at the Kyrgyz National University.

To me, my profession is...

A favorite occupation, an opportunity to interact with interesting people and learn new things

Career highlights

Working at Jannat, the 5-star hotel and at "Monte-Carlo", the recreational center. Many years of experience with hotel and restaurant business organization allowed me to gain proficiency in HR specifics

I chose Flexi Communications

The experience gained by the top managers our agency abroad serves as an example for my self-development. Flexi Communications opens new opportunities to bring ideas, even the most fantastic ones, into life. I believe that our team will lead the company to become one of the market leaders

I am proud of
My Mom

What matters to me is
To achieve set goals

To enjoy the work I'm doing
To maintain the balance between the work and the family

Apart from work I am interested in
Story writing, autobiographical sketching.
Reading history novels and spending time with my close ones

I also can
Accept people for who they are

I want to learn
Horseback riding, diving
