Nazgul Orozkanova
Marketing consultant

Nazgul is an indispensable marketing communications and branding professional at Flexi. Her ability to achieve maximum results while staying within the budget is one of the greatest company resources. During her employment at CJSC MGN Group Marketing Department Nazgul efficiently utilized ATL/BTL tools in order to build and strengthen the corporate identity of the company and promote the organization across the Kyrgyz financial sector. Prior to joining MGN Group she effectively oversaw design and production of promotional and informational materials in her role as a team member of the Marketing Department of "AsiaUniversalBank". Nazgul graduated with honors from the philological department of the Kyrgyz-Russian Slavic University. Currently Nazgul is working on earning a second higher degree in Financial Management at the KRSU.

To me, my profession is...

A chance to come into contact with new emotions.
Big and small victories

Career highlights

Experience I gained at "AsiaUniversalBank"

I chose Flexi Communications

Because I believe in the SUCCESS of this company!

I am proud of

MY PARENTS that brought me up well and gave me a good education.
THE PERSON who became the true Teacher of mine, for whom I became the last student of his...
THE JOB that I start with positive attitude and finish with a feeling of satisfaction.
THE COUNTRY that I was born in and am living now.

What matters to me is

To get up in the morning and see beautiful colors outside the window

Apart from work I am interested in

Drawing, photography.
Going to museums, exhibitions.
Once a year going somewhere that I have never been before

I also can

Observe my internal silence from time to time

I want to learn

Horseback riding
