

Ramis Djailibaev

Head of FlexiStudio

Ramis has a creative spirit. It is his desire to create new things and implement effective creative ideas that brought him to Flexi Communications. Prior to that Ramis worked as a financial analyst at MGN Group. He got a good start by making rapid career progress in a relatively short period of time at “Shoro”, one of Kyrgyzstan’s large manufacturing companies. Having started out as a personal assistant to the President of the company, Ramis advanced in his career path to the position of the business analyst at the regional development department. It is this job that revealed his responsible and careful approach to work, along with his organizational, managerial skills and a desire and ability to work as part of the team.

Ramis holds a Bachelors degree in Business Administration from American University in Central Asia. In 2004 he studied at Viadrina University in Frankfurt (Oder), Germany.

To me, my profession is...
A tool for development

Career highlights
Since working at large Kyrgyz companies as a student, I have been able to reach professional goals with ease

I chose Flexi Communications
I have always wanted to contribute to the development of a new company and work side by side with professionals

I am proud of
My family

What matters to me is
Is to be self-confident

Apart from work I am interested in
Photography

I also can
This needs to be seen

I want to learn
To sing and to fly a plane
